MEMORANDUM TO NNBIS COORDINATION BOARD

FROM:

Daniel J. Murphy

RE:

Public Affairs for NNBIS Project

As the National Narcotics Border Interdiction System becomes operational, we will need to set guidelines and procedures for press relations. I have asked the Vice President's press office to take the lead in this. Your public affairs officers will be asked to participate in the planning by Meredith Armstrong, who will handle NNBIS press relations.

Please ask your public affairs departments to give this program their full cooperation. I am sure you will appreciate the need for a uniform public relations position, particularly with so many different agencies and offices cooperating in the effort.
